your day that little more special

# The Venue

## Large Venue

We hold weddings at Park Community School to offer this service to our community and to raise funds to benefit our students.

As a newly built school with large spaces to hire out. We are proud of what we can offer. When we show you around you will see them in the "raw", however these areas are transformed to become a wedding venue.

The large sports hall is 32m x 18m and can comfortably accommodate tables and chairs for 250 guests with room for a bar, band, dance floor and raised staging for your main table. We transform the hall by fitting tailor made marquee lining with fairy lights. It is then a blank canvas for you to colour co-ordinate and enhance as a space in your individual way.

The venue is yours for Friday evening, Saturday and Sunday morning when you can collect your belongings. This allows plenty of time to set up and then to clear away.

If you wish another area for your younger guests, for example with play equipment, we can provide that and staff to supervise too.
