

Park Community School Governors Need You!

***Like to make a contribution
to staff and students
at Park School?
Ever thought of joining the
school's governors?***

We have vacancies at Park Community School for new governors and would be interested to hear from you. We're especially keen to hear from parents, grandparents or ex-parents of Park students who might like to join us.

What do the Governors do?

- They act as a 'critical friend' to the school by ensuring a clear vision and supporting staff
- They hold the Head to account for the educational performance of the school and its students
- They make sure the school budget is well spent

What Does It Involve?

The Governors meet once a term and have two sub-committees: there are also regular opportunities to meet the Head, the school staff and get involved in the life of the school and its students

You don't have to be a parent to apply - we are looking for volunteers from all backgrounds.

Governors are volunteers and offer their skills, experience and time to help out.

You don't need any formal qualifications but you must be over 18 years old. Training and support is available.

Interested and Like to Make a Difference?

Please contact the school: 02392489800

or speak to the Head or a member of the senior staff or one of the Governors - we'd welcome you joining us!
