Dear Parents and Students of Year 11

I am sure you need no reminding that the GCSE exams are only a short moment away. During this past term we have had a big push on the importance of revision, exam practice and preparation.

### Revision

Year 11 students are provided with a revision card at the start of each week where they can evidence their work outside the classroom. These cards can be handed in on a Friday during Year 11 assembly. All completed cards are entered into a raffle to win a Just Eat voucher for the weekend as a reward for the hard work being put in. These cards are then kept to be used as evidence of the work in a bid to earn an invitation to our Leavers Ball 2023.

### Easter Study Sessions

With the exams being so close now each day becomes more vital to ensure each student is as prepared as possible. With that in mind several key members of Year 11 staff have volunteered to come into school over the second week of the Easter break to support Year 11 students with their preparation. These sessions can be a vital part of a student's revision and our records show that previous attendance to these sessions has had a significant positive effect on a student's outcomes in the exams.

I have included the timetable of sessions within this letter. Each Year 11 student attending a session is welcome to join the MUNCH lunch sessions between 12.00 noon and 1.00 pm.

If you have any questions relating to this or exams in the summer, please do not hesitate to get in touch via Classcharts or at [s.cavanagh@pcs.hants.sch.uk](mailto:s.cavanagh@pcs.hants.sch.uk)

Yours faithfully
