Dear Year 11 Parents and Carers

Good Luck message for Year 11

In previous years we have sought to give our Year 11 students a bit of a boost at the start of the exams by handing out a message of support and good luck. Good Luck post cards are available to collect from reception for you or another family member. We would like someone from the family to write some words of encouragement.

I would appreciate it if you would not let them know of this so we can use as a surprise ahead of a full cohort exam.

Please write the student's full name at the top of the post card and complete your message underneath. Postcards should be returned to school reception by 13 May.

Exams

During the exam season breakfast will be available from 8.00am each morning and subject staff will be available to talk and revise within the restaurant. Exam masterclasses will be held after school the day before each exam after school. Miss Conner has sent the details for these. Students should arrive on time each day having made sure they have had breakfast, plenty of sleep and well hydrated to ensure they are able to perform at their best.

Leavers' Ball

Students have been informed in assembly if they are already eligible for an invitation to the Leavers Ball on Wednesday 25 June. It is not too late for a student to get an invite. Attendance to lessons, period 6, study hall and holiday sessions are all ways to improve a student's chances of invitation. A leavers' ball report card is available to collect from their tutor to complete over the next three weeks to demonstrate that they deserve an invitation. The cost of a ticket will be £35. Some students may be eligible for a discount based on attendance and hard work.

Yours faithfully

Stuart Cavanagh
Assistant Headteacher
