Dear Parent/Carer

The Power of Music

Our school has been taking part in a project over the course of the last two years with Hampshire County Councils Music Service and Park Community School. The Power of Music is a project aimed at engaging children in music and helping to improve well-being. This has involved all our year 7 cohort this year.

We invite you to join us for our concert which will take place at Park Community School on Tuesday 8 July between 11am-12pm.

This concert will be a celebration of the workshops and engagement that has taken place since September and will include many of the children who have participated in sessions, providing them the opportunity to share what they have been learning and to work collaboratively with their peers.

You can find out more about the project here: [Home - Power of Music \(hantsmusic.org.uk\)](https://hantsmusic.org.uk) as well as finding the recordings and albums that our school has created, with more recordings being released over the next few weeks.

Audience numbers are limited, so we ask that you sign- up for your free tickets from the link above. They can also be found via our website.

Please arrive via the reception at Park Community School no more than 10 minutes before the performance time.
We hope that you will be able to join us.

Yours faithfully
