Dear Parent/Carer

This week in assembly I have informed students in Year 7, and would now like to make you aware, that I will no longer be their Head of Year when students move into Year 8, as I will be starting a different role within the PE department. Mr Marshall will be Head of Year 8 and has already started working with students in preparation for next year.

As I prepare to move on to a new role, I wished to express my gratitude to the students for their hard work this year. The transition between primary and secondary can be challenging, but their attitude and resilience demonstrated has been fantastic. I want to say how proud I am of every student. Whether it has been in lessons, assemblies, on school trips or simply in passing conversations, they have made my time as Head of Year a pleasure. I will continue to follow their progress with great interest.

To the parents and carers, thank you for your ongoing support, trust, and partnership. Your involvement and encouragement have made a real difference.

Lastly, I would like to thank Mrs Zervas, Mrs Pearce, Mrs Harrison and the Year 7 tutors for their amazing support this year.

Though I will no longer be in this specific role from September, I remain part of the school community in PE and will always be here to support the students. I wish Mr Marshall good luck as the new Head of Year.

Yours faithfully

Mr K Pollard  
Head of Year 7
