

19 March 2026

Dear Parent/Carer

Year 9 Options, Parents' and Carers' evening – Thursday, 26 March 4.30-7.30

You are invited to attend Year 9 Parents', Carers and Options Evening on 26 March 2026 with your child. The purpose of the evening is to ensure you, and your child are fully informed about the school's options process which will determine the GCSEs students will take starting in Year 10. It is also an opportunity to discuss your child's progress in their core subjects - English, Maths, Science, RE and PE.

As you are aware your child has already started one GCSE option in Year 9, they will now choose three more to study in Years 10 and 11. Over the past two weeks Year 9 have had assemblies from all options subjects so they can make informed choices. The options booklet, which students received on Friday 14 February is also linked [here](#). The evening runs from 4.30pm-7.30pm, and you can come at any time during these times to visit options stalls, but you will need to book appointments to speak to subject teachers.

- All options subjects will run stands in the restaurant, Activity Studio and Discovery centre for you to visit to find out more.
- There is an opportunity to meet with your child's teachers in English, Maths, Science, RE and PE for a 5 minute appointment to discuss current progress and priorities for working towards GCSEs please ensure you have booked these.

If you would like to make an appointment to see your child's subject teacher for **English, Maths, Science, PE and RE** on this evening, please use the online booking system which can be accessed via the following link:

<https://park.schoolcloud.co.uk/>

The deadline for options choices is Friday 4 April 2025. A link will be sent to students after Parents' Evening.

We look forward to seeing you on 26 March 2026

Yours faithfully

Ben Bourton
Assistant Headteacher
