Dear Parents/Carers

Years 7-9 testing week

As we approach the end of the final term, we focus on the upcoming testing week which begins on Monday, 22 June 2026.

During this week students will be completing a set of tests for all subjects, these tests will take place in classrooms. Some tests may have taken place already.

These tests allow students to perform and show off their learning from throughout this term.

To further support your child in preparing for these tests, a collection of revision advice and guidance can be found at the links below:
