

7 September 2026

Dear Parents/Carers

Study Hall, Revision and Independent Study

Welcome back to the final year at Park Community School. We are very excited to finish strong in this final year.

To ensure the continued success of your child in Year 11, the expectations around revision and independent study at home become even more important and vital to achieving amazing GCSE results.

To support your child during year 11, Study Hall will be running each day after school. This will run from 3pm-5pm each day (Tuesday 2pm-4pm). During these times, there will be specific masterclasses by subject teachers and then your child is able to stay later to complete some independent study, for example exam questions, revision cards etc. This time is not teacher led but there will be support if needed.

Please see the timetable below showing times for masterclasses:

	Monday	Tuesday	Wednesday	Thursday	Friday
2-3					
3-330	Science		English	Maths	
330-4	Geography Travel & Tourism History Com. Science Perf. Arts	Study Hall	RE Psychology Art Photography Technology PE	Spanish Photography Art	Study Hall
4-430					
430-5	Study Hall		Study Hall	Study Hall	

Teachers have identified specific students to attend these masterclasses based on achievement from year 10. However, attending both the English and Maths masterclasses is expected.

In the school planner, there are specific pages outlining the fundamental factors that lead to successful revision, such as where to revise, when to revise and how to choose what to revise. The pages will be shared both during tutor time and lessons to reinforce and further prepare students for independent study at home.

The promotion of good habits and routines in the GCSE journey will ensure your child has the skills not only to succeed at the end of Year 11 but to use these skills in their future learning.

Please encourage your child to complete any homework given, attend study hall regularly and encourage them to see their tutor or class teacher if they need further support.

Yours faithfully
