**Wednesday 4th November 2026**

Dear Parents and Carers,

We are delighted to share some exciting news about improvements to our school facilities.

From Monday 9th November, building work will begin on the Year R outdoor learning area. This project will enhance the learning environment for our youngest children and provide them with an even better outdoor space for play and learning.

The contractors are expected to be on site for approximately three weeks. During this time:

- Contractors will access the site via the double gates on Kingsclere Avenue.
- A temporary access road will be created alongside the fence next to the nursery. This area will be fully enclosed by secure fencing.
- We kindly ask that parents and carers do not park opposite the double gates on Kingsclere Avenue during this period, to allow safe access for construction vehicles.

Once the contractors are on site each morning, there will be very little movement between the access route and the outdoor learning area during the school day. In addition, contractors have agreed to stop work during school drop-off and collection times to minimise disruption and help ensure everyone's safety.

To support the safe running of the project, there will be some temporary changes to access arrangements:

- All pupils must be dropped off and collected via the pedestrian gate on Kingsclere Avenue near Fred Francis Close, or via Dunsbury Way.
- Year R pupils will enter and leave their classroom using the white doors near the main reception.

We appreciate that these temporary arrangements may cause some inconvenience and would like to thank you in advance for your patience and understanding. The safety of our children, families and staff remains our highest priority while this important work is completed.

Park Community School
Middle Park Way, Havant, PO9 4BU

We are confident that the finished outdoor learning area will be a fantastic addition to the school, and we look forward to sharing the completed project with you soon.

Thank you for your continued support.

Yours sincerely,

Mrs Leach and Mr Bourton
