5 November 2026

Dear Parents and Carers,

Children in Need 2026 - Park Primary Campus

We are excited to be supporting BBC Children in Need this year and have planned a range of fun activities for our primary pupils to take part in on Friday 13th November.

To help us celebrate the occasion, children are invited to come to school wearing something yellow or spotty in exchange for a donation, alongside their usual school clothes or uniform. This could be as simple as a yellow top, spotty socks, a hair accessory or any other fun yellow or spotty item. We look forward to seeing everyone's colourful creations!

Throughout the day, pupils will also take part in Run Pudsey. Children will challenge themselves to see how many times they can walk or run around a circuit within a set period of time. Each completed circuit will help them collect more dots, making it a fun way to get active while supporting a great cause.

In addition, we will be running a 'Spot the Dot' challenge around the school site. Hidden dots will be placed in various locations for children to find. If a child discovers a dot, they can bring it to the school office and exchange it for a small prize.

Registering for Sponsorship

To register your child and enable them to raise sponsorship for their challenge and receive a medal, (Please note that students may alternatively make a cash donation on the day of their challenge; however, unfortunately, cash donations alone will not register students for a medal)
