

Opportunities at Park Community School

Park Community School, Havant, Hampshire PO9 4BU

Teacher of Science Years 5 to 8

Starting September 2026

We are looking for an enthusiastic and inspiring teacher to join our Science department teaching Years 5 to 8. We offer an exciting opportunity to enhance an already successful and motivated staff team, characterised by an ambitious drive for excellence centred on the school's vision of 'Success for All through Attainment, Resilience and Autonomy'. We offer a fantastic working environment, where staff well-being is truly valued.

In September 2026, Park Community School becomes an all-through school, and this post will link across KS2 and KS3.

We guide each child as their character develops, and they discover what they love to do. Via our main school and other facilities (Farm, Print Shop, Construction Centre), we raise aspirations and prepare them for life. We are much more than just a school.

We offer high quality support and programmes of professional development for both ECTs and more experienced colleagues. As a department, we encourage staff to be forward-thinking to keep the subject current and up-to-date and are very supportive of those seeking opportunities to develop teaching and learning.

To apply for this position, please download application form and details from www.pcs.hants.sch.uk and once completed, e-mail it to recruitment@pcs.hants.sch.uk. We look forward to hearing from you.

Agencies: Please note we can only accept direct applications

Closing date: 15 June 2026

Interview: To be arranged

Park Community School is committed to safeguarding children and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Enhanced DBS check along with other relevant employment checks.

In promoting equal opportunities, the school welcomes applications from all sections of the community.
