

much more than just a school

24 April 2023

Dear Parent/Carer

We are pleased to announce that we are organising a STEM (Science, Technology, Engineering and Mathematics) educational trip to Disneyland Paris for Year 10 students in January 2024.

Students will have the opportunity to explore the two Disneyland parks as well as visiting French shopping complex and a visit to a World War 1 memorial site at Thiepval.

The total cost of the trip will be approximately £460. This includes evening meals on days 1, 2 and 3 and continental breakfasts on days 2, 3 and 4; accommodation on the basis of three students sharing a room, all travel costs and entrance fees into the Disneyland parks. Students will be expected to pay for any additional meals and drinks that they require. Due to the educational nature of the trip Mr Anders has agreed to subsidise the visit.

This means that the final cost for each student attending will be £400.

If you would like to participate in the trip, you will need to attend a series of parents' information evenings, the first of which is on **Tuesday 9 May at 5.30 pm**. You will be able to meet with me to find out everything you need to know about the trip and ask any questions.

We request that you return the reply slip overleaf, with the deposit of £100 and sign the enclosed agreement to say you understand and agree to the terms for residential trips. **Deposit payments are non-refundable.**

Payments should be made in full or by instalments by the last dates shown as below:

By 26 May	£100 Deposit
By 30 June	£75
By 21 July	£75
By 29 September	£75
By 31 October	£75

Your child's behaviour and attendance at school will also form part of the eligibility criteria. Should there be issues leading up to the trip that the school deem as unacceptable, this will result in a loss not only of their place and non-refundable deposit, but also instalments paid up until the point of concern.

Success for All through Attainment, Resilience and Autonomy

Park Community School
